Dear Pavneet:

I want to take this opportunity to thank you for a job well done on our sunroom cinema. Marilyn and I are thrilled with the results and are enjoying the system immensely.

It isn't often that one finds your combination of in-depth knowledge, experience and dedication to customer satisfaction at the same time. Your forthrightness in outlining the various options made it easy for us to navigate the myriad of choices available. I wouldn't hesitate to recommend Waroc to anyone; please feel free to use us as a reference.

The sound of the system is simply fabulous!

Sincerely,

Charles Buehler
